Six Months to Freedom

Month 1: You Quality Enroll (100PV Autoship, 500PV total)

Month 2: You help three others Quality Enroll

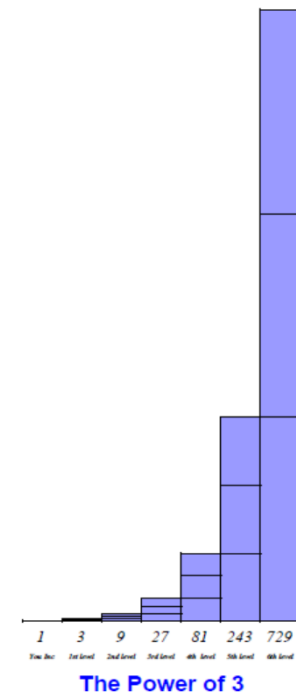

Month 3: Your three frontline help three to Quality Enroll

Month 4: Duplication continues

Month 5: Quality Enroll one more frontline

Month 6: Your frontline duplicate and Quality Enroll one more person each

Continue to Quality Enroll & develop one frontline every 3 months.

Typical Scenario:

In month of enrollment you do 500 PV with at least 100 PV coming from personal autoship.

The following month, you continue doing 500 PV and enroll 3 frontline, who each do 500 PV in the month of enrollment with at least 100 PV personal autoship.

The month after, you and your 3 frontline continue doing 500 PV, while their 3 frontline also enroll their 3 frontline each who do 500 PV with at least 100 PV personal autoship.

Each successive month, you and your group continue doing 500 PV and each new QE from the previous month enrolls 3 frontline who do 500 PV with at least 100 PV personal autoship.

New Enrollment in Month 5:

In order to meet the PGV requirement of 1000 PGV for Platinum rank, you enroll one NEW frontline who does 500 PV with at least 100 PV coming from personal autoship.

The following month, your new frontline enrolls their 3 frontline who each do 500 PV with at least 100 PV personal autoship and your Frontline Leadership (Gold) follow your example and enrolls 1 NEW frontline each with 500 PV and at least 100 PV from personal autoship.

Each successive month, your new enrollment and their group continue doing 500 PV and each new QE from the previous month enrolls 3 frontline who do 500 PV with at least 100 PV personal autoship
