

Cost Savings with the *PiMag™ Aqua Pour™ Deluxe Gravity Water System*

5 year cost comparison of the *Nikken PiMag Aqua Pour Deluxe Gravity Water System* vs. bottled water from Wal-Mart vs. 5 gallon delivered water & cooler from Culligan & Zephyrhills. Based on an annual consumption of 1,056 gallons per household of 4 people (eight 12 oz glasses per person per day).

The *PiMag Aqua Pour Deluxe* is \$311 per unit with annualized filter replacement cost of \$95* for years 2 through 5. Wal-Mart water = \$.58 per gallon. Wal-Mart is packaged in plastic bottles; reports now indicate possible chemical leakage into the water from the plastic bottles. Culligan = \$9 per month cooler fee plus \$6.70 per bottle. Zephyrhills = \$11 per month cooler fee plus \$8 per 5 gallon bottle.

	<i>PiMag Aqua Pour</i>	Wal-Mart	Culligan	Zephyrhills
1 st year	Unit \$311 = \$.29/gal	\$612 = \$.58/gal	\$1,523 = \$1.44/gal	\$1,821 = \$1.72/gal
2 nd year	Filters \$95 = \$.09/gal	\$612 = \$.58/gal	\$1,523 = \$1.44/gal	\$1,821 = \$1.72/gal
3 rd year	Filters \$95 = \$.09/gal	\$612 = \$.58/gal	\$1,523 = \$1.44/gal	\$1,821 = \$1.72/gal
4 th year	Filters \$95 = \$.09/gal	\$612 = \$.58/gal	\$1,523 = \$1.44/gal	\$1,821 = \$1.72/gal
5 th year	Filters \$95 = \$.09/gal	\$612 = \$.58/gal	\$1,523 = \$1.44/gal	\$1,821 = \$1.72/gal
TOTAL	\$691*	\$3,060	\$7,615	\$9,105

BENEFITS of the *Nikken PiMag Aqua Pour Deluxe Water System* instead of Bottled Water on top of your own provided Hot Water/Cold Water Dispenser Stand *

**Hot or Cold PiMag Water Tastes Smooth and Sweet
Consistent Quality Healthy Clean Safe Water.
Ionized Minerals assist in reducing Water Hardness and help regulate the acid/alkaline (ph) balance.
Water is Magnetized to improve cell hydration.
Convenient, Small & Portable.
Physically Attractive.
Simple Operation & Low Cost.**

**FEATURES of *Nikken PiMag Aqua Pour Deluxe System*:
Compact design – Gravity flow – Microspongepre-filter
Ceramic pre-filter (only needed for severe contamination)
Activated carbon filter – Zeolite filter material – Pi-ceramic material – Mineral stones – Magnetic Field energized**

The Microsponge pre-filter* is good for 5 years, or 5,283 gallons.
Annual cost – \$10.00 ÷ 5 = \$2.00

The Ceramic pre-filter* (only needed for severe contamination) is good for 2 years, or 2,113 gallons. Annual cost – \$25.00 ÷ 2 = \$12.50

The Filter* cartridge is good for at least 6 months, or 528 gallons (could be more depending on water contamination).

Annual cost – \$25.00 x 2 = \$50.00 (or less).

The Mineral Stones* are good for at least 1 year, or 1,056 gallons.
Annual cost – \$30.00 * All filters are included with the unit.

*** The Nikken PiMag Aqua Pour Deluxe Gravity Water System will fit on top of and down into most standard water bottle dispensing stands with a flat top, such as this unit shown. This Whirlpool floor stand Model WHAC-3445GD was only \$109 at a Lowe's Home Improvement Store. It dispenses Hot, Cold or room temperature water.**
