

LF GOLD 1.8®

QUICK REFERENCE SHEET

- *New formulation adds natural active ingredients*
- *More vitamin C for increased antioxidant support*
- *Provides antioxidants for the maintenance of good health*
- *Helps the body to metabolize fats and proteins*
- *Helps in the development and maintenance of bones, cartilage, teeth and gums*
- *Helps in connective tissue formation*
- *Helps in wound healing*

LF Gold 1.8 — an active lactoferrin

Lactoferrin is a multifunctional protein. With an intake pathway via the gastrointestinal tract, it assists in nutrient metabolism, forms a component of the body's immune system and supports growth of specialized tissues. LF Gold 1.8 is uniquely formulated to facilitate absorption and make this vital compound more readily bioavailable.

LF GOLD 1.8® FEATURES AND BENEFITS:

- **New formulation** With natural emulsifier, pH balanced and twice the vitamin C for more antioxidant effect.
- **New size** Standardized capsule dimensions for easier handling.
- **Premium quality** Purification process removes microorganisms and toxins.
- **A prebiotic** As a prebiotic, LF Gold 1.8 can stimulate production of probiotic compounds.
- **Ideal for everyone** Formulated for adults and children.
- **Vegetable capsules** Meets dietary and cultural requirements.

LF GOLD 1.8®

QUICK REFERENCE SHEET

THE FACTS

- Lactoferrin is a naturally occurring substance found in all body fluids including tears, blood and saliva. Lactoferrin is a basic building block of life. It is an essential protein and a major component of mother's milk, and in this way is provided to all mammals beginning immediately after birth.
- Lactoferrin is provided in a normal diet through dairy foods. Yet some of us do not receive a significant amount of lactoferrin in this form.
- The exclusive, patented technology that produces LF Gold 1.8® uses exhaustive purification methods to remove microorganisms and endotoxin compounds. This provides an unprecedented level of purity while also preserving the prebiotic qualities of the lactoferrin.
- LF Gold 1.8 has been reformulated from the original, with natural lecithin (derived from sunflowers) replacing Polysorbate 80 as a stabilizer. This is an improved, more natural formulation yet it retains the same degree of bioavailability.
- Natural sodium citrate and bicarbonate have also been added, to balance pH. The new formulation doubles the amount of vitamin C, to enhance the antioxidant potential and help support the body's resistance to cellular damage. A new, larger capsule accommodates these improvements and provides greater ease in administration.
- This precision technology requires approximately three litres of milk to produce a single capsule of LF Gold 1.8®.
- The source of LF Gold 1.8® is natural milk from a region isolated from sources of contamination. This source material is then subjected to extensive purification technology to produce LF Gold 1.8.
- LF Gold 1.8® is referred to as highly functional lactoferrin because its unique production technology results in a form of lactoferrin that is more accessible for the body to absorb. This technology removes contaminants that could inhibit lactoferrin absorption or metabolism.
- A single LF Gold 1.8® capsule contains 60 mg of pure, highly functional lactoferrin. This amount is based on United States Department of Agriculture calculations on average daily intake of lactoferrin derived from consumption of dairy products.

Directions / Mode d'emploi : Adults take 1 capsule daily, or as directed by a health care practitioner. If packaging has been opened or damaged do not use. / Adultes: Prendre 1 capsule par jour, ou selon l'avis d'un praticien de soins de santé. Ne pas utiliser si l'emballage a été ouvert ou endommagé.

Each Capsule Contains / Chaque capsule contient :	Daily dose / Dose quotidienne
Medicinal Ingredients / Ingrédients médicinaux :	
Vitamin C / Vitamine C (calcium ascorbate / ascorbate de calcium) 60 mg	60 mg
Curcumin / Curcumine (curcuma longa rhizome) ((1E,6E)-1,7-Bis (4-hydroxy-3-methoxyphenyl)-1,6-heptadiene-3,5-dione) 28.5 mg	29 mg
Lactoferrin / Lactoferrine (bovine milk / lait de bovins) 60 mg	60 mg

Non-medicinal Ingredients / Ingrédients non médicinaux : HYPROMELLOSE, INULIN, LECITHIN, SODIUM BICARBONATE, SODIUM CITRATE / HYPROMELLOSE, INULIN/INULINE, LECITHIN/LÉCITHINE, SODIUM BICARBONATE/BICARBONATE DE SOUDE, SODIUM CITRATE/CITRATE DE SODIUM.

Do not expose to excessive heat, humidity or direct sunlight. Store at room temperature, in a cool dry place. Do not use if seal is broken. / Ne pas exposer à un excès de chaleur, d'humidité, ou directement à la lumière solaire. Ranger à la température ambiante, dans un endroit frais et sec. Ne pas utiliser si le sceau de sécurité est brisé.

If you are allergic to any of these ingredients, or are pregnant or nursing, consult a doctor before taking this or any other. **Keep out of reach of children.** / Consulter un médecin avant de prendre ce produit ou tout autre produit si vous êtes allergique à un des ingrédients, ou si vous êtes enceinte ou allaitante. **Tenir hors de portée des enfants.**

Consult a health care practitioner prior to use if you are pregnant or breastfeeding, or if you are taking antiplatelet medication or blood thinners. / Consulter un praticien de soins de santé avant d'en faire l'usage si vous êtes enceinte ou allaitante, ou si vous prenez des médicaments antiplaquettaires ou des anticoagulants.

Consult a health care practitioner prior to use if you have gallstones or a bile duct obstruction, stomach ulcers or excess stomach acid. / Consulter un praticien de soins de santé avant d'en faire l'usage si vous avez des calculs biliaires ou une obstruction du canal biliaire, ou si vous souffrez d'ulcères de l'estomac ou d'un excès d'acide gastrique.

PRODUCT INFORMATION

ITEM CODE	DESCRIPTION
#13584	LF Gold 1.8® (1 CT.)
AVAILABILITY	
US: YES	CN: YES
FEATURED NIKKEN TECHNOLOGY	
Kenzen Wellness® Nutrition	
HOW TO USE	
Take one capsule per day.	
CONTENTS	
30 capsules per unit (30 day supply – 1 CT.)	
SHELF LIFE	
Product has a two-year shelf life (unopened)	
WARRANTY INFORMATION	
30-day satisfaction	

QUICK SHARING TIPS

Only LF Gold 1.8® uses patented technology to deliver the highest level of purity.

As part of Kenzen Wellness, LF Gold 1.8® should be taken daily for total body support.

Keep out of reach of children. Store in a dry place at room temperature. If you are allergic to any of these ingredients, consult your health care provider before using this product.
